There is nothing that will equal this machine. Hundreds of fires have been extinguished by them. It certainly is the cheapest insurance that you can have. It will not stop a large fire, but it will stop a small one, so, if you stop a small fire, you will avoid a large one. Remember the old adage: "A stitch in time saves nine." Now is the time to buy.

What MITCHELL Says

Now I told you right about the "Venetian Chocolates," didn't I? I did sure. Everyone who has tasted them, say they are the finest, at any price, that have ever been seen in any town, (only 40 cents.)

Now just a word as to Good Coffee. This is a straight tip. My "Oriental" is used by more people than any other single brand sold in this town. It is better than what you have been buying at 25 to 30 cents and we sell it at 18 cents per pound. Now take my word and try just one pound and you will be glad.

We also have the celebrated St. Nicholas Mocha and Java in 3-lb. Tins at 33¢. When you have a swell blow-out get a can of it.

Yours Truly,

C. B. MITCHELL.
